PLAN TO ACT ON C. OF C. BY-LAWS

CONSTITUTION AND RULES OF OPERATION SUGGESTED BY CITIZENS' COMMITTEE

APPROVAL IS SOUGHT

FINAL ACTION TO BE TAKEN AT LUNCHEON WEDNESDAY AT METHODIST CHURCH

Members of the board of directors of the old Chamber of Commerce of Glendale and members of the executive committee of citizens interested in the re-organization of the Chamber of Commerce, held a meeting recently to consider the proposed constitution and the by-laws.

After some discussion, a constitution and by-laws were passed upon, being practically the same, it is announced, as those in force in about 300 Chambers of Commerce throughout the United States.

To Discuss Sewer Question

The meeting has a two-fold purpose. First, the adoption of the new standard constitution and by-laws and second, the discussion of the sewer problem. Frank H. Olmsted, the engineer who has been retained by the city administration to draw up plans and specifications for the sewer system, will be present and outline the plans he has under way. After Mr. Olmsted's talk there will be a general discussion from the floor, every member having an opportunity to ask questions.

Persons having memberships assigned them, in some cases will not receive invitations due to inability of the office force to make all the changes necessary, however they are all cordially invited.

The proposed constitution and by-laws will be submitted to the membership of the Chamber of Commerce at a luncheon to be held in the banquet room of the First Methodist church at noon tomorrow. All members of the reorganized Chamber of Commerce are invited to be present and act upon the proposed constitution and by-laws.

Proposed Constitution

The constitution of the Glendale Chamber of Commerce, as proposed, follows:

Article I—Name

Colonial Tea Will Be Given By Club Thursday Afternoon

Members of the Tuesday Afternoon club will be guests at a party to be given at the Masonic Temple Thursday afternoon by the members of the board. The affair will be in the form of a Colonial tea.

Warning Is Given By Mrs. Estelle Goodman

"The next time anyone attempts to rob my home, an unexpected reception will be the result," said Mrs. Estelle Goodman, 645 North Central avenue, whose residence was broken into last Wednesday night for the second time within a month.

"I have made complete preparations to greet the intruder rather warmly," she continued. "I know that my diamonds are the lure, but I do not keep my jewels in the house. I am positive the same person is guilty of both entrances; I have certain evidence indicating this. I am now giving a warning—the next time may prove fatal for someone."

SCIENTIST AIDS MUSEUM WORK

PROFESSOR C. H. STERNBERG IS VISITING IN HOME OF PROFESSOR E. E. HARWOOD

PIONEER AT TASK

SPENDS MORE THAN 50 YEARS IN COLLECTING SPECIMENS FOR NATURAL HISTORY

Professor Charles H. Sternberg, whose lecture tonight is advertised elsewhere in this issue, is visiting, with his wife, at the home of Professor E. E. Harwood of 208 East Cypress avenue. He is quite enthusiastic over Glendale and is contemplating the purchase of a home here.

Professor Sternberg is a pioneer both in the development of this country and in the field of paleontology, the study of ancient life. For over fifty years he has hunted over the fossil beds of America, with the result that nearly every museum, both in Europe and America, has one or more of his specimens.

For the past eight months he has been mounting some of his specimens for the Natural History Society of San Diego at Balboa Park. His collection there contains the only Dinosaurs and Mosasaurs that have been mounted on the Pacific coast. These were the mammoth animals which inhabited the earth during the Cretaceous period five million years ago.

Collect Many Specimens

For several years Professor Sternberg and his sons were in the employ of the Canadian government collecting specimens for the Victoria Memorial Museum at Ottawa, Ontario.

During that time Professor Sternberg was sent by the Canadian government to visit the principal museums of the eastern United States. After having seen all their mounted specimens of carnivorous Dinosaurs Professor Sternberg was to decide upon the best mounting for a specimen he had found in Canada.

Valentine Favor Concealed

At 10:30 o'clock the guests were requested to find their places at the table. Much curiosity was aroused by ribbons extending from each place card to a large, white, sham cake in the center of the table. After lunch was served everyone was told to pull in turn on the ribbon at his place. At the end of each ribbon was found a valentine favor which had been concealed in the heart of the cake.

PLOT TO BLOW UP PRESIDENTIAL YACHT

(Special Service to Glendale Evening News)

WASHINGTON, Feb. 15.—An enlisted man of the navy is under arrest in connection with a supposed bomb plot to blow up the presidential yacht, Mayflower, Secretary Daniels announced today. The prisoner was a member of the Mayflower's crew. Last week he was said to have asked the boatswain of the Mayflower that he be given the watch at a certain hour of the night, as he expected a package to be brought on board. He offered the boatswain a large sum of money to be allowed the watch, Daniels said. The boatswain, suspecting the package was a bomb, confided his suspicions to higher officers. Daniels intimated that officers of the Mayflower had reason to suspect the enlisted man of a sinister purpose.

Lewis F. Garrett, living at the Alexandria hotel, was shot through the neck and his jaw was broken because he hesitated when commanded to raise his hands. Robert Porter, Van Nuys hotel, was struck in the mouth with the butt end of a revolver when he failed to hand over his money fast enough. Three stitches were required to close a wound in his upper lip.

MAKE PREDICTIONS ON HARDING'S CABINET

(Special Service to Glendale Evening News)

ST. AUGUTINE, Fla., Feb. 15.—President-elect Harding's cabinet is still a mystery, though the eleventh hour is almost here. Best information today regarding the cabinet is as follows:

Definite selections—Charles E. Hughes of New York, secretary of state; Harry Daugherty, Ohio, for attorney general; Senator Fall, New Mexico, secretary of interior; Henry Wallace, Iowa, secretary of agriculture. Will Hays is regarded as fairly certain to be postmaster general. Charles Dawes positively will not be in the cabinet, persons close to Harding said today. Harding has invited ex-Governor Lowden of Illinois, to be secretary of the navy, but Lowden is holding off.

SUPPORTERS OF LINEBERGER URGE THAT PEOPLE CAST BALLOT WITHOUT FAIL

The ninth congressional district, of which Glendale is a part, is today voting on candidates to fill the vacancy in congress caused by the death of Charles Van de Water.

Up to noon today a fairly representative vote was being polled and the supporters of Major W. F. The polls will be open until 7 o'clock tonight.

The Lineberger headquarters is furnishing machines for those desiring to vote, and an invitation is given to call Glendale 535 or Glendale 911-M.

INSTRUCTIVE MEETING TAKES PLACE AT INTERMEDIATE SCHOOL ON MONDAY

ESSAYS BY PUPILS

BENEFIT PERFORMANCE TO BE GIVEN IN BEHALF OF NEW CAFETERIA EQUIPMENT

The Intermediate School Parent-Teachers' association held its regular monthly meeting in the library of the school yesterday.

The president, Mrs. H. V. Brown, had asked three pupils of the school to read essays on Lincoln's life. Carolyn Ayars gave "Lincoln's Boyhood;" Bertha Brown, "Life on the Flat Boat," and Norman Cerf, "Lincoln as a Lawyer." All were interesting and very creditably given. The mothers present enjoyed this opportunity of coming in touch with the pupils' work.

Professor Richardson D. White gave a very interesting talk, during the course of which he explained the overcrowded condition of the Glendale schools at the present time.

Thanks Are Expressed

Miss Noble, principal of the school, thanked the association for fitting up the rest rooms for teachers, and expressed great appreciation for the curtains and couch covers which had added to their attractiveness. This is one of the practical ways in which the mothers of the association have shown their interest in the school, it was pointed out. The association has also assisted in making possible the opening of the new cafeteria. A theater performance has been planned to further meet the expenses assumed by the organization in equipping the cafeteria room.

After the meeting adjourned a social half hour was enjoyed in the new cafeteria dining room, where tea and cakes were served by the courtesy committee.

David McGregor's 86th birthday is in February also, so it was decided to celebrate both his birthday and that of Mrs. Scotten at this time. Decorations were of red hearts and greenery. The suggestion of valentine's day was also carried out in the refreshments.

Mrs. Reed Heustis Is Hostess On Birthday

Mrs. Reed Heustis of 823 North Brand boulevard entertained a number of young folks yesterday in celebration of the tenth birthday of her son "Bob." Business Is Good
Business Is Flourishing

Homes are needed and are being provided.

You have heard much talk of an expected business depression, of tumbling prices, of dull times—but have you investigated?

It is true that excessive profits have been cut into, that prices are not rushing higher and higher—but the fundamental values are still good.

We refer you to our list of sales for the past few weeks printed in this issue to show that there are plenty of people still looking for homes, and who will pay the right price.

Do not force people out of Glendale—Keep the price fair and reasonable—Help Glendale to grow.

Last week we sold a man who came out from the east in November and was discouraged by friends from buying at that time. He was told to wait for prices to drop. In vain he has waited for the slump and after paying exorbitant rents all winter he decided it was foolish to wait any longer.—**BUY NOW!**

If you have good property for sale list it with us. We will advise you how it can be sold, and then we will sell it.

EGGS, BUTTER PRICES DROP

Eggs and butter prices have taken some queer twists during the past few days. One day last week eggs reached the lowest level since 1916 when the select price was 31 cents and case count 29 cents. The next day, however, there was a jump of 3 cents and today the price is 37 cents for selects and case count, both.

Butter, which reached the lowest level in seven years, 40 cents, about two weeks ago, has been pushed up since and yesterday took a jump of 7 cents, to 57 cents.

It should be remembered that the price given out by the produce board of Los Angeles, for some reason known only to its members, is 4 cents less than that charged to retailers, on some brands, 3 cents on others, so that a wholesale price of 57 cents really means 60 and 61 cents. Glendale grocers have been selling butter on the closest kind of a margin, from 1 cent to 5 cents a pound, which as any business man knows, is an insufficient profit according to sound business principles.

NO MORE FOREIGN LOANS

WASHINGTON, Feb. 15.—The senate judiciary committee today unanimously went on record against payment of any further money to foreign countries, even on commitments already made, until all the facts concerning the loans are known to congress.

SCIENTIST HELPS

PROFESSOR C. H. STERNBERG SPENDS OVER 50 YEARS IN RESEARCH WORK

(Continued from Page 1)

first brought him to California in 1877; it has taken him into many out of the way and barren places of our continent. He has had many thrilling and amusing experiences with the Indians.

Indians Are Astonished

One of his stories concerns Professor Cope, United States paleontologist, who was once washing his false teeth just as six stalwart Indian chiefs approached him. They were so astonished at his procedure that they had the professor "do it again" several times; all attempts to remove their own or each others' teeth proved futile.

During his stay in Glendale the professor has been pressed for lectures. Two were given at Eagle Rock City to the school children Monday. The lecture tonight is given under the auspices of the Nature club of Glendale. Thursday afternoon he will address the Nature Guards of Los Angeles. Professor Sternberg will return to San Diego the last of the week to continue his work there.

LUTHER LEAGUE

ORGANIZATION TAKES CHARGE OF SERVICE SUNDAY NIGHT AT LUTHERAN CHURCH

The Luther league took full charge of the evening service at the Lutheran church last Sunday night. The league has been growing rapidly and now renders the full service on the second Sunday evening in each month. F. J. Bowman, the newly-elected president, conducted the opening service.

The principal address was given by Mrs. H. C. Funk who presented the topic of "Music and Its Relation to the Church." The subject proved to be an exceedingly interesting one, and the importance of singing the gospel into the hearts of men was clearly brought out.

In harmony with the topic music was given a large place on the program. A duet by Miss Gysin and Miss Holen, a whistling solo by Mrs. F. J. Bowman, instrumental solo by Miss Sherrick, a baritone solo by Mr. Niebank, and the world-famous hymn of Martin Luther, "A Mighty Stronghold Is Our God," were some of the special musical numbers. The service closed with the beautiful Vespers of the Common Service in charge of the pastor.

B. and C. D., living in Glendale, and E. A., of Bird Island, Minn.; two daughters, Miss Pearle of Glendale and Mrs. Iantha Anderson of Bird Island, Minn.; and five grandchildren.

BEATS CASHIER TO DEATH

HOUSTON, Tex., Feb. 15.—A lone bandit beat Cashier L. R. Kirby of the State bank at Blue Ridge to death and escaped with a large amount of money today. Bloodhounds were trailing the bandit.

60 MILES AN HOUR ON BICYCLE

Sixty miles an hour on a bicycle—some speed, eh, what! However, it's been made—by three men, to be exact. Edward Wills of England, Paul Guignard of France, and Arthur Vanderstuyft of Belgium, each turned the trick. Guignard holds the world's record, having made sixty-three miles 255 yards in an hour, back in 1909. His feat has never been equaled since.

elected in the manner directed in the by-laws which are hereafter authorized.

Article V—Meetings

1. The annual meeting of the Glendale Chamber of Commerce shall be held on the second Tuesday in January of each year, the place and time to be designated by the board of directors. The newly elected directors and officers shall then take office.

2. Meetings of the members may be held at such other times as the president or board of directors may determine, or upon the written request of 5 per cent of the members in good standing, provided that when called otherwise than by the president or the board of directors, the notice shall contain a statement two days preceding the meeting.

Article VI—Referendum

1. Upon the request in writing of 5 per cent of the members in good standing, the board of directors shall, or upon its own initiative may, submit a question to the members for a mail referendum vote; the ballot for such vote to be accompanied by briefs stating both sides of the question.

Article VII—Funds

1. The board shall have the power to sue and be sued, hold, sell, lease or mortgage real estate, to incur debts, to borrow money, giving therefor notes of the corporation signed by two or more officials duly authorized by the board for that purpose, and may enter into contracts of any kind furthering the purposes of the Glendale Chamber of Commerce.

Article VIII—Amendments

1. This constitution may be amended by a majority vote of the members in good standing in attendance at any regular meeting or any special meeting called for that purpose, provided that such proposed amendments shall be plainly stated in the call for the meeting at which they are to be considered.

2. Notice of meetings at which such amendments are to be considered must be given at least ten days prior to the time of meeting.

Here Are Proposed By-Laws

The proposed by-laws of the Chamber of Commerce follow:

Article I—Membership

1. Any person, association, corporation, partnership or estate may subscribe for one or more memberships in the Glendale Chamber of Commerce by undertaking to pay the annual dues therefor. In the case of a subscription for more than one membership each such membership shall enter upon the full privilege of membership when assigned to an individual.

2. In addition to the subscriptions to memberships, subscriptions may be made in like manner to the community fund of the Glendale Chamber of Commerce in any amount desired. Such subscribers shall be classed as reserve members but having no vote in the election of officers and directors.

3. The membership fee shall be $25 per annum, payable annually, semi-annually, or quarterly in advance.

4. Members may be elected at any meeting of the board of directors. A two-thirds vote of those present shall be necessary to elect.

5. Following their admission, members must pay membership dues for at least one quarter in advance before being permitted to exercise the privilege of membership.

6. Subject to the approval of the board of directors, any person, association or corporation holding more than one membership shall have the right to change any or all of its assignments upon thirty days written notice to the Glendale Chamber of Commerce, giving reasons therefor.

7. Any member may be expelled by the board of directors by a two-thirds vote for non-payment of dues; or after notice and opportunity for hearing, for conduct unbecoming a member.

8. Any member, upon written request to the board of directors, accompanied by a remittance covering the full amount due on his membership pledge, may resign from the Glendale Chamber of Commerce.

9. The death of a member shall, and the removal of his residence from the city or vicinity may, cancel his membership pledge.

Article II—Elections

1. Voting shall be by individuals only and no member shall cast more than one vote. Persons to whom memberships have been assigned shall vote as individual members.

2. Following their election, members must pay membership dues for at least one quarter in advance before being permitted to vote at an election. At subsequent elections no member shall be entitled to vote until his dues for the preceding year have been fully paid.

3. (a) Nominations shall be made prior to the election by means of a direct primary. A ballot accompanied by the membership roster shall be mailed to each member who may designate as many candidates as there are directors to be elected.

(b) From the candidates receiving the highest number of votes in the primary, twice the number of the directors to be elected shall be declared nominated and their names shall be placed on the official ballot. At the final election, candidates receiving the highest number of votes to the number of vacancies to be filled, shall be declared elected.

(c) In the first election twenty-four candidates shall be nominated and twelve elected. Each additional vacancy to be filled due to temporary appointment under Article III, Section 1, will add two candidates to the number to be elected.

(d) The board of directors elected by the membership shall appoint not more than two additional directors to represent groups, business interests, or certain localities not already represented on the board. Said appointees shall have full privileges as board members.

4. The members shall vote by mail or in person, by secret ballot in conformity with such additional rules and regulations as the board of directors may adopt.

5. The annual election of the Glendale Chamber of Commerce shall be held on the last Tuesday in November of each year, provided however that the election to be held in 1921 shall take place in the month of February.

Article III—Directors

1. Vacancies by resignation or otherwise in the board of directors shall be filled by the board only until the next general election, at which time the membership shall elect a director or directors for the remainder of the unexpired two-year term or terms.

2. Directors shall serve for a period of one year, except in the first election, when six directors receiving the greatest number of votes shall serve for a period of two years and the other directors for one year.

Article IV—Officers

1. Within ten days after the annual election, the directors shall meet and elect officers for the ensuing year, a president, one or more vice presidents, and a treasurer. All of the officers must be members of the board, except the treasurer, who may or may not be a member of the board. Subsequently the board shall employ a secretary, whose compensation shall be determined by the board.

2. The treasurer and the secretary shall each furnish bonds in such amounts as the board of directors shall deem necessary; the cost to be paid by the Glendale Chamber of Commerce.

3. The duties of the officers shall be such as their titles, by general usage, would indicate, and such as are required by law, and such as may be assigned to them respectively by the board of directors from time to time.

Article V—Committees

1. The board of directors shall authorize and define the powers of all committees.

2. The president shall appoint all committees, subject to confirmation by the board of directors.

Article VI—Meetings

1. At all membership meetings, twenty-five of the members in good standing shall constitute a quorum.

2. The board of directors shall meet at regular periods. Absence from three consecutive regular meetings without an excuse deemed valid and so recorded by the board of directors, shall be construed as a resignation.

3. A special meeting of the board of directors may be called at any time by the president or by three directors provided that when called otherwise than by the president, a call shall be issued to each director stating the purpose of the meeting, not less than three hours preceding the meeting.

4. At all meetings of the board of directors, a majority shall constitute a quorum.

5. At committee meetings, a majority shall constitute a quorum, except that when a committee consists of more than nine members five shall constitute a quorum.

6. All questions of parliamentary procedure shall be settled according to Roberts' Rules of Order.

Article VII—Fiscal Year

1. The fiscal year shall end the last day of December of each year.

Article VIII—Amendments

1. These by-laws may be amended by a majority vote of the members in good standing in attendance at any regular meeting or any special meeting called for that purpose, provided that such amendments shall be plainly stated in the call for the meeting at which they are to be considered.

2. Notice of meetings at which such amendments are to be considered must be given at least two days prior to the time of meeting.
